

Taichung THS - Sample Technical Paper PDF

This PDF is included for testing Netlify downloads and document links.

Abstract

This is a sample PDF used to verify that the company website can display and download PDF documents correctly. It is not a real confidential paper. You can replace this file with approved papers, product datasheets, or technical notes later.

Document Information

Field	Value
Document type	Test PDF
Author	Taichung THS Test Team
Year	2026
Usage	Netlify PDF download test
Website	https://taichungths.com.tw

How to replace this PDF

Open the website folder, place your approved PDF inside the assets folder, then edit script.js and change the file link to the new PDF path. If the PDF is stored on Google Drive, use the shared Google Drive URL instead.

Test checklist

1. Open the Netlify website.
2. Go to Technical Documents / Papers.
3. Click Open PDF.
4. Confirm this PDF opens.
5. Click Download PDF and confirm the file downloads.
